2014 AUCTION CATALOG

\$10 CASH/CHECK PER PERSON VOLUNTARY DONATION AT THE DOOR

ADULTS ONLY EVENT FRIENDS AND NEIGHBORS WELCOME

On Behalf of the Long Branch Elementary School PTA, Welcome to the Annual Auction for 2014

Our auction this year returns to the great conference room space at the National Rural Electric Cooperative Association in Ballston. Kabob Bazaar is providing a delicious selection of Mediterranean/Middle Eastern inspired food and we have over 250 items for you to bid on.

The auction rules can be found on the following page. This year we have used a new auction software program that has allowed us to host a pre-event online auction. The items that do not sell in the online auction will still be found in the silent auction. We have four sections in the silent auction. Be mindful of closing times for each section because we wouldn't want you to arrive late to the event and miss winning your favorite items. We also hope that our new auction program will help facilitate a smoother checkout for everyone. Please realize that we have a lot of information to process over the course of the night and we truly do it as quickly as we can.

This event cannot take place without the help of a lot of people. We owe thanks to all the parents, staff and teachers of Long Branch who brainstormed and made happen all the great items we have to offer you. Teachers and staff, the donation of your time with special activities is very much appreciated, especially considering how precious your time is after this crazy winter. We give a special thanks to the room parents who went out of their way to include the students in many of the class donations. Behind the scenes, we had volunteers who helped us by hitting the pavement, engaging with local businesses, and calling on friends and contacts to provide us with some amazing donations. Thanks to all the donors, we have a big selection of items to choose from – many new and exciting. We also want to thank the volunteers who helped with last minute details, organizing the auction tables, manning the check-in and checkout stations and preparing for everything to go smoothly.

Personally, I owe a HUGE thank you to Susan Nguyen for doing this job for the many years before me (now I really understand), for laying the groundwork that has made this such a successful event in the past, for always answering my phone calls and questions with a smile and for every minute of help she has given me. I also would like to thank the PTA Executive team, especially Arshia Arvandi and Terri Stewart for all of their time, energy and ideas. I am also very appreciative of the staff in the Long Branch office for their patience with me and their help.

Thank you to Adam Rasmussen for heading up the IT team for the event, to Vinh Nguyen for his help with the catalog and IT set up and to Chris Lewicki for coordinating the classroom and teacher donations. And finally I would like to thank my family for their understanding, patience and support.

Please read through this catalog, mark your favorites, and bring it with you to the auction. Bid often, bid high and have fun!

Stacy Snyder

Auction Rules

Registration

As you enter the auction you will check in and receive a bid number. Please use only the number assigned to you for bidding on live and silent auction items. Couples may choose to be assigned only one number.

Silent Auction

The silent auction begins at 6:00pm. All sections are open for bidding at this time, with closing times staggered (see below). The minimum bid and minimum raise for each item are on the bid sheet located next to the item. Write your bid number next to the next available bid amount. You are welcome to also write your last name, but just the bid number is sufficient. The last (highest) valid bid entered prior to the section closing will be the winner.

Section Closing Times

Green – Dream/Fix/Shop will close at 7:30pm
Yellow – Dine In/Dine Out will close at 8:00pm
Red – Family Fun will close at 8:30pm
Blue – Teachers/Staff/Classrooms will close at 9:00 pm
Live – available for silent bid from at 6:00pm / taken live at 9:00pm

Live Auction

The live auction items will be starting out as silent items with bid sheets at 6:00pm. At 9:00pm our auctioneers will take the stage and commence live bidding, starting with the last (highest) silent bid indicated on the bid sheet. We use a simple method of hand raising or bid card raising to indicate participation. The winner of the live auction items will be determined by the auctioneers.

Checkout

Checkout is a tricky thing. We need to have all bids entered for all sections before checkout can begin. Our goal is to start checkout at 9:30pm with multiple stations open to make the line move quickly. Again, we have to process a lot of data during the course of the event so your patience with this final/critical stage is much appreciated. We promise we are working as fast as we can to get you home to relieve those babysitters!

Payment

We encourage payment by check or cash but also gladly accept Visa and MasterCard. All items must be paid for by the end of the evening before you leave. Please inquire at the checkout desk before you leave to see if you were the successful bidder on any items.

Retrieving Items on Display

Once you have paid, if you are the successful bidder for an item that is on display, you **MUST** retrieve that item and take it home with you the evening of the event. If you have walked to the event and end up with too much to carry, we'll gladly call you a taxi!

Follow-Up on Donated Services

If you win an item that requires coordination with the donating party, *it is the responsibility of the winner to follow up with the donor* using the information provided on the gift certificate the winner receives at checkout.

Terms of Sale

Writing a bid on a bid sheet in the Silent Auction and/or being acknowledged by the auctioneer in the Live Auction constitutes a legal contract to purchase that item at the price you stated/ acknowledged. All sales are final. There will be no exchange or refunds. The Long Branch PTA (LBPTA) has attempted to describe and catalog all items correctly, but all items are offered and sold "as is" and "with all faults." By the buyer's purchase, the buyer waives any claim for liability against LBPTA or Long Branch Elementary School, its elected and appointed officials, members and employees, sponsors, volunteers connected with the auction, and/or the donor of the item. Neither the LBPTA nor the donor is responsible for any personal injury or damage that may result from the use of the property or services.

Expiration of Offers/Services

Unless otherwise noted, all donations of services/ events made by parents, teachers or staff will expire on March 15, 2015. Please redeem your winnings prior to that time. Commercial donations have their terms and expirations indicated per their instructions.
